

Food & Clothing

The Food & Clothing Distribution Program provides fresh produce, non-perishable food items and clothing to community members in need. During the pandemic, MDC has distributed over 500,000 meals to the community.

Impact: An updated food pantry to serve over 15,000 more meals per year. An updated clothing room that will ensure the people in need have access to clean, gently used clothes and small household items.

Key:

17-Clothing Room including dressing room

13-Laundry Facilities to clean clothing donations

18-Food Pantry with walk in cooler
